

## Organists Pleased By Large Attendance At First Sacred Concert

Members of the local chapter of the American Guild of Organists were gratified at the large and representative audience which attended the first sacred concert at the Methodist Episcopal church, at the first of several which they contemplate giving during the winter. The program was a miscellaneous one and included selections for the organ, for vocalists and for a small orchestra. It was well rendered and the start portended some musical treats during the season from this organization.

Appearing on the program in organ numbers were Miss Eunice Robertson, Mrs. Nell Murphy and Enoch T. Walton, while as accompanists were Mrs. Lunsford Mason and J. Paul Stalls. The offertory also was rendered by Miss Beatrice Garrison, while a quartet was rendered by Mrs. D. L. Griffith, Miss Elsa Gerber, Arthur Bower and Gordon Reed. Two excellent choral numbers were rendered by members of several choirs, with Mrs. J. L. McKee appearing without a rehearsal in the place of Mrs. Clyde Park, who was unable to sing because of illness in her home. The small orchestra of about half a dozen added considerably to the program.

## "DANDY" BANDITS GET CONTINUANCE

A mixup as to the identity of attorneys who represented them and the fact that it became necessary for the court to appoint two attorneys to represent two of the defendants caused a postponement of the trial of the four "dandy" bandits, scheduled to take place in first division of criminal court Monday.

E. B. Kelly, Alden Shaw, alias Smith; Clyde A. Hamilton and Joe E. Hutton, alias Red, charged in four indictments with robbery, appeared in court. A number of lawyers said financial arrangements had been made.

The four men were arrested in a lavishly furnished apartment on Union avenue Nov. 8 and were indicted for robbing four men.

## AMERICAN WOMEN SUSPECTED AS SPIES

WASHINGTON, Nov. 30.—Two American relief workers in Poland, Miss Martha Graczyk and her assistant, Miss Mary H. Wastlock, were said to have been arrested by the Lithuanian authorities and taken to Kovno for investigation. The dispatch explained that they had gone to Vilna to distribute foodstuffs shipped there for babies and children. Their chauffeur also was arrested.

## PAIR PLEADS GUILTY TO COUNTERFEITING

CINCINNATI, O., Nov. 30.—Two men who gave their names as Martin Hamman, 47, of Endic, Okla., and Charles Schwabe, 35, of Vincennes, Ind., who were arrested here while in the act of making \$10 counterfeit bills, pleaded guilty when given their preliminary examination before United States Commissioner Hurley. They were bound over to the federal grand jury in the sum of \$15,000 each.

## Activities Among Memphis Negroes

BY REV. T. O. FULLER.

Three good boys at Howe wish places to work in families. King Walnut 1767.

Labor conditions call for the most rigid economy at this particular time. Let there be no unnecessary idleness. Earn every dollar possible and make the best use of it or there may be want and suffering.

The census reports show that the negro population in the South is on the increase. The fact is there is a general trend of the population toward the cities, which constitutes an interesting and important problem.

The Rev. J. W. Robbins has returned from a visit to Cleveland, O., where he went prospecting.

Pastor Johnson, of the Emanuel Episcopal church, is a native African, well educated and prepared for his work. Emanuel is putting on new life under his ministry.

Dr. John H. Grant, of Nashville, has been made the presiding elder of the South Memphis district of the A. M. E. church. His friends will welcome him back to Memphis.

The Rev. Thomas Davis, formerly pastor of Centenary M. E. church, has entered vigorously upon his work as presiding elder of this district. Rev. Davis is highly respected here.

## Layman To Direct Church Movement

DR. J. H. REYNOLDS.

It is significant that in the selection of men for leadership in the Christian education movement of the Southern Methodist church, to be inaugurated with the coming year, two laymen were chosen to direct the effort—Dr. J. H. Reynolds, of Arkansas, director-general, and Dr. H. N. Snyder, of South Carolina, associate director-general.

Dr. Reynolds has been for some years president of Hendrix college, at Conway, Ark., and his work there, as well as in other fields of service, has given him high rank among educators. In addition he has given efficient service to the church and community in many worthy enterprises, and his influence has counted for much in the civic life of the state.

## Makes a Family Supply of Cough Remedy

Really better than ready-made cough syrups, and saves about \$2. Easily and quickly prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break severe coughs. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded.
